24 May 1952

I, James P. Moss, First Lieutenant, United States Air Force, AO 591005, having been duly sworn, make the following free and voluntary statement.

Upon petition of State Welfare Agency the Pueblo County Court reversed the decision granting my wife and I custody of Joyce Elaine Vidmar and issued a court order giving custody of the child to the Board of Catholic Charities, court order was dated 13 May 1952.

My attorney Mr. Bellinger advises that we must now obtain an Interlocutory decree within thirty days.

When this interlocutory decree is obtained the adoption can be made final any time thereafter.

Thus my attorney is filing an interlocutory decree within the prescribed time period. However the presiding justice Judge Glover is reluctant to grant this in that I have never seen or known this child before, and feels due to the extenuating circumstances it most imperative I see the child before he grants final decree.
